

Judges' Education Seminar

The Judges Education Committee will be putting on a seminar at our 2008 Nationals to help educate conformation judges. The seminar will consist of two parts - the first part being a field demonstration, which will be held at Elk Lake Heritage Preserve (the location of our fun field events and AWSC hunt tests). This will help the judges better understand the work our dogs are expected to do. The second part will consist of a Power Point presentation with a hands-on - an opportunity for the judges to go over some dogs.

Members are invited to attend either or both parts of the seminar at no charge. In order for members to attend, you need to sign up in advance and let us know what you will be attending. Space will be limited for the formal presentation so we encourage you to sign up in advance by July 29th. If there is space available, you may be able to sign up the day of the seminar before 6:30 p.m.. To avoid disruptions, we request that you be on time and that you not leave until the seminar has concluded. The printed material that the judges receive will be available to members for \$5 to cover the cost of printing. Questions from members will be fielded after the seminar is over and the judges are done.
